

EASYPAY AUTOMATED PAYMENT SERVICES

It's All About Convenience.

Accept payments by phone or online.

Let your customers pay their utility bills online with a check card or credit card – at their convenience and without the hassle or expense of maintaining your own transaction processing and merchant accounts.

Many of your customers are already paying other bills online. Reach the customers who don't have a computer or online access. Give them the convenience of paying their bill by phone or online and reduce your administrative and overhead costs.

*Accept Payments 24 Hours a Day,
7 Days a Week*

Virtual Attendant offers EasyPay, our flexible automated payment service that allows your customers to pay their bill by phone or online at any time. When your customers call, they only need to follow a couple simple prompts to make their payment. Eliminate aggravated on hold customers and the need to hire dedicated order processing staff.

EasyPay starts at just \$25.00 a month and includes a dedicated local or toll-free phone number and a web page so your customers can conveniently access their account. An automated daily report is delivered each morning by email to provide you with all the transactions from the previous day. You can choose to receive your funds by check or have them automatically deposited into your bank account weekly.

Our processing fees are minimal and you can choose the best payment option for your company.

- Your customer will be charged a convenience fee of \$2.00 and you will be charged a 3% transaction fee, keeping your customer's cost at a minimum.
- Your customer will be charged a convenience fee of \$2.00 plus 3% of the transaction amount in a single charge.
